Attention Woolworths Jindabyne

Re trading hours for Woolworths Jindabyne store over the Easter period.

The NSW Business Chamber supports the concerns of the Jindabyne Chamber of Commerce regarding the intention of Woolworths to not open over part of the upcoming Easter period. Specifically these concerns are:

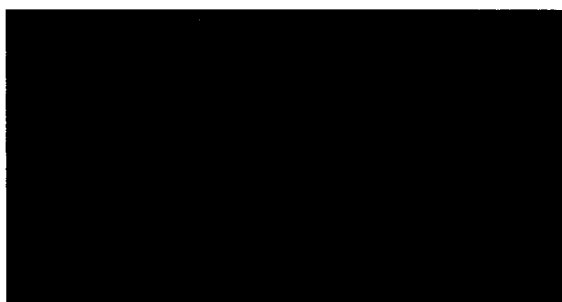

Visitations to Jindabyne at the Easter holiday period are growing, and there will be many tourists visiting the area who will need access to supermarket services.

This Easter there will be three major cultural events in Jindabyne which will attract visitors from regional NSW and Canberra. These are the Lake Light Sculpture held on Lake Jindabyne over the four days of Easter, the Easter Art Show held at the Jindabyne Memorial Hall for the full Easter break, and the Quilting Exhibition at the Jindabyne Memorial Hall annex for the Easter period.

As Woolworths is the only supermarket in the area that can supply visitors with affordable food and basic necessities, it is critical to the success, growth and reputation of tourism in the region for the store to be fully accessible during peak tourism periods such as Easter.

We ask you to consider the pleas from the Jindabyne community to support them in their endeavours to grow tourism and grow business trade for all.

Thank you
