JAS-ANZ accreditation status

Currently hold current JAS-ANZ System 1 accreditation as competent to certify that electrical articles comply with relevant Australian Standards (YES / NO)

Please attach the JAS-ANZ Accreditation Certificate and associated schedule.

Have applied for JAS-ANZ System 1 accreditation as competent to certify that electrical articles comply with relevant Australian Standards (YES / NO)

Date of application for accreditation.....

Status of the application

JAS-ANZ accreditation is currently held for another field (YES / NO).
Please attach details.

Please attach –

Copy of quality manual as submitted to JAS-ANZ

Copy of documented procedures as submitted to JAS-ANZ

Copy of Specific Rules of the Scheme as submitted to JAS-ANZ

Copy of documents, forms or the like used in the assessment of approval applications.

Mark to be applied to evidence approval under the scheme.

Please attach details of the mark

Note: This mark is to be only for applications for declared articles and shall contain the letters EA.

Certificate under the scheme

Please attach a model approval certificate and modification and renewal notices.

Personnel involved in the certification process

Please provide the resume of each person who is to be involved in the verification of test evidence or is to be a signatory to approvals.

I agree to implement systems for the approval and marking of electrical articles as the Minister may direct from time to time.

I have also read and understand *Recognised External Approval Schemes – Conditions*; outlining the conditions that will be imposed on the scheme should the application be successful.

SignedDate Position
