

FORM A1

Application for reservation of name

Associations Incorporation Act 2009 (section 15)

1800 502 042 fairtrading.nsw.gov.au

Please read this information before completing this form.
This form can be completed in Adobe Reader and saved for your records.

When should this form be lodged?

A proposed name may be reserved:

- for a new association,
- when an existing association intends to change its name,
- where 2 or more associations propose to amalgamate, **OR**
- where a registrable corporation intends to register as an incorporated association.

Reserving a proposed name is optional.

Duration of reservation

If approved, a name is reserved for a period of 3 months.
It is NOT possible to extend a name reservation.

Proposed association name (part 1)

Set out the spelling of the name of the proposed association EXACTLY as you wish it to appear on the certificate of registration.

Please note that the name will appear on the certificate in CAPITAL letters.

The name **must** end in the word 'INCORPORATED' or the abbreviation 'INC'.

When choosing a name for an association it is important to appreciate Fair Trading may refuse to register a name in certain circumstances, including where:

- it closely resembles the name of an existing or former incorporated association and the public would likely be misled,
- it is the same as a registered business, company or co-operative name,
- it is considered to be offensive or undesirable, or
- if the name or words in the name are restricted by state of federal law.

To reduce delay you should nominate up to 3 different names, in order of preference. The first available name will be registered. Before making this application, please read the webpage titled 'Naming your incorporated association' on www.fairtrading.nsw.gov.au.

Application details (part 3)

This part is used to identify the purpose for the name reservation. For example whether the name is to be reserved for a new incorporated association, a change of name of an existing association, an amalgamation, or where a registrable corporation proposes to register as an incorporated association.

It is important that only one box is ticked and that the information relating to that box is completed.
