"Easy and Transparent Trading Empowering Consumers and Small Business."

I am writing about the above consultation paper and make the following comments to 1.5 Real Estate Auctioneer Licence.

I strongly oppose Option 3. The preferred option of the Government.

I feel this will be detrimental to consumers due to a lack of professionalism and a lack of knowledge of the Act. This will also create more work for the agent who must be present at the time of the auction.

My option for 1.5.Real Estate Auctioneer Licence, is 1. Maintain the status quo.
