| <b>Message</b>                 | Dear Mr Keane<br><br>Listening to Ray Hadley's 2gb radio programme - I am alarmed and extremely concerned about hearing today 15 August 2018 that in your position as the Minister responsible for Fair Trading in NSW your "Liberalism" ideology in not requiring licencing for a number of Trades. To me this is irresponsible and a recipe for consumers the people who you are their to protect to be ripped off. Please reconsider your position and policy on this issue as soon as possible. |
