Subject: LAKE LIGHT SCULPTURE EASTER 2018 EVENT

To Whom It May Concern,

This is to confirm the 16<sup>th</sup> annual Lake Light Sculpture event is again scheduled to take place in Jindabyne on 30 March to 2 April 2018 being the Easter long weekend.

Lake Light Sculpture is an outdoor sculpture exhibition situated in the centre of Jindabyne at the base of the NSW Snowy Mountains.

The event continues to grow each year and visitation levels at our 2017 event approximated 18,000 and we have experienced a steady increase each year. In 2017, the event attracted over 80 entries from visiting artists from all over NSW & Victoria. Current entry levels indicate we may exceed that for the 2018 event.

Our major sponsors such as Rydges Snowy Mountains hotel, have indicated their occupancy levels for the 2018 Easter period will be at 100% levels so we anticipate Easter to yet again be one of the busiest weekends of the year in Jindabyne and equally for our event.

Accordingly, we are fully supportive of Woolworths Jindabyne being operational on Easter Sunday to provide the abnormally high number of tourists/visitors to our event with the ancillary services they would ordinarily expect and demand so they continue to visit our event each Easter and continue to consider Jindabyne as an Easter destination with reliable and contemporary service offerings.

Should you have any further questions, please do not hesitate to contact myself on

Best Regards
