- (2) An association must, not later than 1 month after the constitution of the association and at each general meeting after that, estimate how much money it will need to credit to its capital works fund for actual and expected expenditure—

- (4) An estimate prepared before the first annual general meeting of an association is to take into account the initial maintenance schedule provided by the original owner for that meeting.

88 Association to set contributions to administrative and capital works funds

- (1) The association must determine the amounts to be levied as a contribution to the administrative fund and the capital works fund to raise the amounts estimated as needing to be credited to those funds.
- (2) The determination must be made at the same meeting at which those estimated amounts are determined.
- (3) The association must levy on each member the contribution determined.

- (5) A contribution is, if an association so determines, payable by the regular periodic instalments specified in the determination setting the amount of the contribution.

89 Contributions payable by members of community and precinct associations

The contribution to be paid to a community association or precinct association by each of its members is the amount that is in the same proportion to the total amount of contributions that the following unit entitlements for the community scheme or precinct scheme bear to the total unit entitlement for the scheme—

The contribution to be paid to a neighbourhood association by the owner of a neighbourhood lot is the amount that is in the same proportion to the total amount of contributions that the unit entitlement of the lot bears to the total unit entitlement of the neighbourhood scheme.

91 Individual contributions may be larger if greater insurance costs

- (1) If the use to which a development lot, a former development lot or a neighbourhood lot is put by a member of the association causes an insurance premium for the scheme to be greater than it would be if it were not put to that use, so much of a contribution payable by the member as is attributable to insurance premiums may, with the consent of the member, be increased to reflect the extra amount of the premium.
- (2) The Tribunal may, on application, make an order for payment of contributions of a different amount to one or more contributions levied or proposed by an association on a member if the Tribunal is of the opinion that the owner's consent has been unreasonably refused under this section.

92 Levying of contributions

- (1) An association levies a contribution required to be paid to the administrative fund or capital works fund by a member by giving the member written notice of the contribution payable.
- (2) A contribution levied by an association becomes due and payable to the association on the date set out in the notice of the contribution.

93 Liability of persons other than members for contributions

- (1) If, at the time a person becomes the owner of a development lot or a neighbourhood lot, another person is liable to pay a contribution in respect of the lot, the owner is jointly and severally liable with the other person for the payment of the contribution and any interest on the contribution.
- (2) If, at the time a development lot becomes subject to a precinct scheme, a neighbourhood scheme or a strata scheme, the owner of the development lot was liable to pay a contribution in respect of the lot, the precinct association, neighbourhood association or strata corporation is jointly and severally liable with the other owner for the payment of the contribution and any interest on the contribution.
- (3) A mortgagee or covenant chargee in possession of a development lot or neighbourhood lot is jointly and severally liable with the owner of the lot—
 - (a) for any regular periodic contributions to the administrative fund or capital works fund together with any interest on those contributions, and
 - (b) for any other contribution together with interest on that contribution, taken to recover unpaid contributions, if the mortgagee or covenant chargee has been given written notice of the levy of the contribution, and
 - (c) for any costs payable as a debtor in respect of enforcement action to recover unpaid contributions.
- (4) Subsection (3) does not affect the liability under this section of an owner of a lot for a contribution.

94 Interest and discounts on contributions

- (1) A contribution, if not paid when it becomes due and payable, bears until paid simple interest at an annual rate of 10% or, if the regulations provide for another rate, that other rate.
- (2) Interest is not payable if the contribution is paid not later than 1 month after it becomes due and payable.

- (3) However, an association may, by resolution at a general meeting, determine (either generally or in a particular case) that a contribution is to bear no interest.
- (4) An association may, by resolution at a general meeting, determine (either generally or in a particular case) that a person may pay 10% less of a contribution levied if the person pays the contribution before the date on which it becomes due and payable.
- (5) The Tribunal or a court may, on application by a member, order that no interest is chargeable on a specified contribution if the Tribunal or the court is satisfied that the association should reasonably have made a determination not to charge interest for the late contribution.

95 Recovery of unpaid contributions and interest

- (1) The Tribunal may order a member of the association, or other person, to pay any of the following that are payable by the member or other person under this Act—
 - (a) a contribution not paid at the end of 1 month after it becomes due and payable,
 - (b) interest payable on an unpaid contribution,
 - (c) the expenses of the association incurred in recovering any such amounts.

Note. Section 78 of the *Civil and Administrative Tribunal Act 2013* provides for the recovery as a judgment debt of amounts ordered to be paid by the Tribunal.

- (2) The Tribunal may make an order under subsection (1) only—
 - (a) on the application of the association, and

- (4) Interest paid or recovered forms part of the fund to which the relevant contribution belongs.
- (5) An association must not take action to recover an amount under this section unless it has given the person against whom the action is to be taken at least 21 days notice of the action.
- (6) The notice of the action must set out the following—
 - (a) the amount of the contribution, interest or expenses sought to be recovered,
 - (b) the recovery action proposed,
 - (c) any other matter prescribed by the regulations for the purposes of this subsection.

96 Orders varying contributions or payment methods

- (1) The Tribunal may, on application, make either or both of the following orders if the Tribunal considers that an amount levied or proposed to be levied by way of contributions is inadequate or excessive or that the manner of payment of contributions is unreasonable—

- (b) an order for payment of contributions in a different manner.
- (2) An application for an order may be made by an association, a member of an association or a mortgagee or covenant chargee in possession.

97 Effect of order varying contributions where payments have been made

If a contribution that is the subject of an order by the Tribunal under this Division has been wholly or partly paid—

- (a) an order to pay more has effect as if the association had decided to levy a contribution equal to the difference, and
- (b) an order to pay less imposes a duty on the association to refund the difference.

98 Order requiring original owner to pay compensation for inadequate estimates and levies

- (1) The Tribunal may, on application by the association or a member of a scheme, order the original owner to pay compensation to the association if the Tribunal determines that the estimates and levies determined during the initial period for the purposes of determining and meeting expenditures relating to the scheme were inadequate to meet the actual or expected expenditures of the association.
- (2) The Tribunal must not make an order under this section if the original owner satisfies the Tribunal that the original owner used due care and diligence in determining the estimates and levies.
- (3) An application under this section must be made not later than 3 years after the end of the initial period.

- (4) This Division (other than provisions relating to the amount of contributions) applies to and in respect of contributions levied under this section in the same way as it applies to other contributions levied under this Division.

10 Notice to be given to tenants

- (1) A copy of the agenda for a meeting must be given to each tenant of a relevant lot, who has been notified to the association in accordance with this Act as a tenant of the lot, at least 7 days before the meeting is held.

Part 3 General meeting procedure

11 Chairperson to preside

(1) **Chairperson to preside**

The chairperson of the association is to preside at a meeting at which the chairperson is present.

(2) **Presiding member where chairperson absent**

In the chairperson's absence from a meeting, the persons present at that meeting and entitled to vote on motions submitted at that meeting may elect 1 of their number to preside at that meeting and the person so elected is, while so presiding, taken to be the chairperson of the association.

(3) **Chairperson does not have casting vote**

The chairperson does not have a casting vote in relation to any motion but may vote in his or her own right if otherwise entitled.

(4) **Chairperson may be only person present**

A meeting is, subject to the provisions of this Schedule relating to the quorum, validly held even though the only person present at the meeting is the chairperson of the association.

12 Chairperson to announce names of persons entitled to vote

If requested to do so by a person present and entitled to vote at a meeting, the chairperson must, before submitting a motion to the meeting or the holding of the election of members of the association committee, announce the names of the persons who are entitled to vote on that motion or at that election.

13 Decisions at meetings—counting votes

(1) **Simple majority vote to generally apply**

A motion put to a meeting, or an election of officers of the association or members of the association committee, is to be decided according to a majority in number of the votes cast for and against the motion, unless this Act requires it be determined by a poll, a special resolution or a unanimous resolution.

(2) **Allocation of votes**

Each subsidiary body has 1 vote and the owners of each relevant lot have 1 vote for each relevant lot even if this results in the same person having more than 1 vote on the motion.

(3) **Vote of original owner who owns more than half of lots to be reduced**

For the purposes of determining an election for officers of the association or members of the association committee or appointing a managing agent (other than in the case of a poll), the total value of the vote in respect of the lots held by the original owner is taken to be the same as that for a special resolution.

(4) **Value of votes to apply for poll**

If a poll is demanded by a person present and entitled to vote on a motion or for the election of officers of the association or members of the association committee at the meeting, the motion is to be decided according to the value of the votes cast for and against the motion and the value of a vote cast by a person entitled to vote in respect of a lot is equal to the unit entitlement of that lot.

(5) However, the value of the vote of an original owner is to be calculated in the same way as for a special resolution.

(6) **Polls**

A poll may be demanded before or after a vote decided by a majority in number has been taken and is to be conducted as directed by the chairperson. The demand for a poll may be withdrawn by the person who made it.

Note. Section 5 sets out the manner in which the value of a vote for a special resolution or a poll is to be determined.

14 Developer excluded from votes relating to building defects

(1) The developer of a scheme is not entitled to vote, or exercise a proxy vote, on a matter concerning building defects in, or the rectification of building defects in, building work to which this clause applies.

(2) This clause applies to building work that—

- (a) is residential building work (within the meaning of the *Home Building Act 1989*) or carried out on a building, or a part of a building, used or proposed to be used for mixed use purposes that include residential purposes, and
- (b) was carried out by or on behalf of the developer of the scheme.

15 Chairperson's declaration of vote

(1) The chairperson must declare the result of the voting on a motion at a meeting or an election at a meeting at the meeting if it is possible to do so.

(2) The declaration of the chairperson of the result of the voting on a motion at a meeting, otherwise than on a poll, is conclusive without proof of the votes recorded for and against the motion.

16 Quorum

(1) **Quorum required for motion or election**

A motion submitted at a meeting must not be considered, and an election must not be held at a meeting, unless there is a quorum present to consider and vote on the motion or on the election.

(2) **When quorum exists**

A quorum is present at a meeting only in the following circumstances—

- (a) if not less than one-quarter of the members of the association entitled to vote on the motion or election are present either personally or by duly appointed proxy,
 - (b) if not less than one-quarter of the total unit entitlement of the scheme is represented by the persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election,
 - (c) if there are 2 persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election, in a case where there is more than 1 member of the association and the quorum otherwise calculated under this subclause would be less than 2 persons.
- (3) A person who has voted, or intends to vote, on a motion or at an election at a meeting by a permitted means other than a vote in person is taken to be present for the purposes of determining whether there is a quorum.

(4) **Procedure if no quorum**

If no quorum is present within the next half-hour after the relevant motion or business arises for consideration at the meeting, the chairperson must—

- (a) adjourn the meeting for at least 7 days, or
- (b) declare that the persons present either personally or by duly appointed proxy and who are entitled to vote on the motion or election constitute a quorum for considering that motion or business and any subsequent motion or business at the meeting.

(5) **Quorum for adjourned meeting**

If a quorum is not present within the next half-hour after the time fixed for the adjourned meeting, the persons who are present either personally or by duly appointed proxy and who are entitled to vote on the motion or election constitute a quorum for considering that motion or business and any subsequent motion or business at the meeting.

17 Motions require notice

- (1) A motion must not be submitted at a general meeting if any requirement of this Act to include the form of the motion in the notice of the meeting has not been complied with, unless the motion is a motion to amend a motion of which notice has been so given.
- (2) A person who is not entitled to vote at a meeting cannot move a motion for consideration at a meeting or nominate a candidate for election to the association committee.
- (3) This clause does not prevent the owner of a relevant lot from moving a motion or nominating a candidate even if the lot is subject to a mortgage or covenant charge.

18 Chairperson may rule certain motions out of order

The chairperson at a meeting may rule a motion out of order if—

- (a) the chairperson considers that the motion, if carried, would conflict with this Act, an applicable management statement or the by-laws or would otherwise be unlawful or unenforceable, or
- (b) a requirement of this Act to include the form of the motion in the notice of the meeting has not been complied with.

19 Adjournments

- (1) A meeting may be adjourned for any reason if a motion is passed at the meeting for the adjournment.
- (2) The time and place at which a meeting adjourned under this Part is to be resumed must be fixed by the person who was presiding at the meeting or, if the meeting was adjourned because of a lack of a quorum, by the person who would have presided at the meeting but for the lack of the quorum.
- (3) The secretary of the association must give to the members of the association, at least 1 day before the resumed meeting, a written notice specifying—
 - (a) the time and place of the meeting, and
 - (b) the provisions of this Act for determining the quorum at a meeting.

20 Tenants at meetings of neighbourhood associations

- (1) A tenant who has been notified in accordance with this Act to a neighbourhood association as a tenant of a neighbourhood lot in the neighbourhood scheme is entitled to attend a meeting but is not entitled to vote at a meeting unless the tenant is the holder of a duly appointed proxy.
- (2) A tenant is not entitled to address a meeting unless authorised to do so by a resolution of the neighbourhood association.
- (3) The neighbourhood association may, at any meeting or for the purpose of all meetings, determine that tenants (other than tenants who hold duly appointed proxies) are not entitled to be present when the following matters are being discussed or determined—
 - (a) financial statements and auditor's reports,
 - (b) levying of contributions,
 - (c) recovery of unpaid contributions,
 - (d) any other financial matter specified by the association committee.

Within 14 days after a meeting, the association must provide copies of the minutes of the meeting by giving each member of the association and each owner of a relevant lot a copy.

Maximum penalty—5 penalty units.

Part 4 Voting rights and voting procedures

Division 1 General rights to vote

22 Persons entitled to vote at general meetings

- (1) **Persons who have right to vote**

Each member of the association, and each person entitled to a priority vote, has voting rights that may be exercised at a general meeting of the association, but only

if the member or person is shown on the association roll and, in the case of a corporation, the company nominee is shown on the association roll.

(2) **Exercise of voting rights by subsidiary bodies**

Voting rights may be exercised at the meeting by a subsidiary body only by proxy.

(3) **Exercise of voting rights by joint first mortgagees or joint covenant chargees**

Voting rights may be exercised at the meeting by joint first mortgagees or joint covenant chargees only by proxy (who may be one of them) duly appointed by all of them jointly.

(4) **Exercise of voting rights by owner, first mortgagee or covenant chargee**

The voting rights of an owner or first mortgagee or covenant chargee of a relevant lot (other than a co-owner, mortgagee or covenant chargee) may be exercised—

- (a) unless the owner, mortgagee or covenant chargee is a corporation—in person or by proxy, or
- (b) if the owner, mortgagee or covenant chargee is a corporation—by the company nominee in person, or by proxy appointed by the corporation.

(5) **Exercise of voting rights by co-owners to be by proxy**

The voting rights of co-owners of a relevant lot may not be exercised by them individually but may be exercised—

- (a) by a proxy (who may be one of them), or
- (b) as provided by subclause (6).

(6) **Other circumstances in which co-owners may exercise voting rights**

If, on a vote at a general meeting, the rights of co-owners of a relevant lot are not exercised by a proxy as referred to in subclause (5), 1 of them may act as such a proxy—

- (a) if the other co-owners are absent or those who are present give their consent, or
- (b) if paragraph (a) does not apply—if he or she is the owner first named on the association roll as 1 of the co-owners.

(7) **Exercise of voting rights by owners of successive estates in lot**

If there are owners of successive estates in a relevant lot, only the owner of the first estate may vote at a general meeting.

(8) **Exercise of voting rights where owner holds lot as trustee**

If the owner of a relevant lot holds it as trustee, a person beneficially entitled may not vote at a general meeting.

(9) **Voting rights cannot be exercised if contributions not paid**

A vote at a general meeting (other than a vote on a motion requiring a unanimous resolution) by a member of the association or a person with a priority vote in respect of a member does not count if the member was an unfinancial member at the date notice of the meeting was given and did not pay the amounts owing before the meeting.

(10) **Effect of failure to give association interest notice**

This clause does not confer a right to vote on a person deprived of the right by failing to comply with the requirement to give an association interest notice.

23 Priority votes

- (1) A **priority vote** is a vote cast on a motion by a person whose vote has priority under this clause.
- (2) A priority vote may be cast on the following motions—
 - (a) a motion that relates to insurance, budgeting or the fixing of a levy,
 - (b) a motion that will require expenditure by the association of an amount that exceeds the amount prescribed by the regulations for the purposes of this clause,
 - (c) a motion that requires a special resolution or unanimous resolution.
- (3) If a priority vote is cast in relation to a relevant lot, a vote on the same matter by the owner of the lot does not count.
- (4) However, a priority vote has no effect unless at least 2 days written notice of intention to exercise the priority vote at the particular meeting has been given to the owner of the lot.
- (5) A priority vote may be cast in respect of a relevant lot by—
 - (a) the mortgagee of the lot under a mortgage shown on the association roll as having priority over any other mortgage, and over any covenant charge, shown on the association roll in relation to the lot, or

24 Rights of proxies and limits on votes by proxies

- (1) **Proxy may demand poll**

A duly appointed proxy may vote on a show of hands or demand a poll.
- (2) **Powers of proxies**

A person duly appointed as a proxy—

 - (a) if entitled to vote otherwise than as a proxy—may also vote in his or her own right, and
 - (b) if appointed as proxy for more than 1 person—may vote separately as a proxy in each case.
- (3) **Proxy cannot vote if person appointing proxy votes**

A proxy cannot exercise a vote in relation to a matter if the person who appointed the proxy is exercising personally a power to vote on that matter.
- (4) **Proxy limited by instrument of appointment**

If the instrument appointing a proxy limits the manner in which the proxy may vote at a meeting, a vote by the proxy that does not observe the limitation is invalid.
- (5) **No proxy vote pursuant to contract for sale by original owner**

An original owner or a person connected with the original owner cannot cast a vote by means of a proxy or power of attorney given by another owner of a relevant lot in the scheme if the proxy or power of attorney was given pursuant to a term of the sale contract for the lot or pursuant to another contract or arrangement that is ancillary or related to the sale contract.

- (6) Subclause (5) does not apply to a proxy or power of attorney given by a person to another person connected with him or her.
