Subject: Building Licence

TWIMC

Why do I pay for a building licence?

If you don't have a licence you can do work up to \$20,000.00, what a joke.

Hears something to think about, why don't you bring in a no licence requirement for driving a motor vehicle.

Like an option, to drive any vehicle without a licence! Drink driving not a problem!

This would help the people that just can't be bothered to get qualified.

Yours sincerely
Anthony
