<b>Message</b>	<p>I've just heard your understanding of deregulating the trades industry and I am HORRIFIED... How is this supporting the current industries that encourage traineeships to train people to do a quality job. I do NOT support you at all based on your views. Its disgraceful that you are even considering such a thing. How do we turn to when the workmanship isn't up to scratch.</p> <p>Regulation is key on tradesman workmanship. I for one would never support such an idea.</p>
