To whom it may concern,

RE: Building Stronger Foundations – Discussion Paper, June 2019.

We write to provide support to the submission made to you by CROSS-AUS Ltd (Confidential Reporting on Structural Safety - Australasia).

We have reviewed that submission and The Institution of Structural Engineer – Australia Regional Group unreservedly support the discussion and recommendations of that submission.

Yours sincerely,

David Donnan
MIStructE, FIEAust, RPEQ
Secretary – Australia Region Group
