

Auditors Guide

To completing the 2014 Auditors report required under the Conveyancers Licensing Act 2002 – Sections 75 & 77

Obtaining the Audit Report

In 2014, the Audit Report form for Conveyancers must be obtained from the Fair Trading website, www.fairtrading.nsw.gov.au.

All persons who have held a licence [natural persons and corporations] at some time during the applicable audit period (1 July 2013 – 30 June 2014) have been advised in writing, that the required report and audit guidelines are to be downloaded from the [Trust accounts and audit requirements](#) page of the Fair Trading website.

The report and the guidelines [including this Guide] can be viewed or downloaded from the Fair Trading website. Navigate to Businesses, Specific industries and businesses, Conveyancing and then Trust accounts and audit requirements.

Note: licensees operating under an alternative audit year are advised of their audit requirements immediately prior to their audit period.

Identify who the Audit Report is about

Under Licensee Entity Name(s) and Licensee Entity No(s), list the name/s of the sole trader, or corporation or partnership members that held trust money and carried on business, or held trust money and was inactive, during the period.

Important: it is incorrect to list a licensee-in-charge who is supervising the activities of the entity in respect of a corporation because he is an employee, not the employer entity. However, if the licensee-in-charge is a sole trader or a partner in the partnership, they would be listed.

Licence particulars can be checked on the *Conveyancers licence check* page of the Fair Trading website.

Licensee responsibility

It is important to note that the listing of a person under Licensee Entity Name(s) of an Auditor's Report, as having held trust money and the signing of a statutory declaration by that person as not having held trust money, during the audit year, are contrary statements. It is the responsibility of that Licensee not to make such a false declaration.

Obtaining the Statutory Declaration

In 2014, the Statutory Declaration form must also be obtained from the Fair Trading website.

Licensees have been advised in writing that the Statutory Declaration, required to be completed by persons who have not held trust money during the audit period (1 July 2013 – 30 June 2014), must be downloaded from the [Trust accounts and audit requirements](#) page of the Fair Trading website.

When the Statutory Declaration must be completed;

The Statutory Declaration would be completed by a licensee who has NOT held trust money. The licensee has an obligation to make and lodge such a declaration within the 3 months of the end of the applicable audit period.

Guide to completing the Auditor's Report

1. The Auditor's Report must list the Licensee Entity Name(s) and Licensee Entity No(s) on the front page of the report [not the business name], and the audit period that is applicable for that person. Most reports are for annual audit period ended 30 June.
2. The report provided by you pursuant to the provision of section 75 would be an engagement to examine the accounting records and internal controls and procedures of the Licensee Entity during the audit period, in relation to trust money and other matters designated by Part 7 Trust Money of the Act, and report those matters in terms of the generally accepted auditing standards and practice.
3. This Guide provides a list of trust accounting requirements to guide you through designing the scope of your audit and in respect of these requirements makes reference to the appropriate provisions that are applicable under the *Conveyancers Licensing Act 2003* and its associated *Conveyancers Licensing Regulation 2006*.
4. This Guide has been prepared to assist auditors in their examination of the books, records, accounts and documents maintained by licensees in respect of trust moneys and to assess the compliance of those records with the appropriate legislation.

Any trust accounts, which held trust moneys during the audit period, form part of the examination.

This would include the general trust accounts held at any time during the year, and all separate trust accounts ie. accounts held exclusively for the client.

5. You should obtain direct written confirmation from the financial institution(s) as to the balance(s) of the trust account(s).
6. You must use appropriate sampling techniques and make appropriate inquiries during your examination to form an opinion as to whether the accounting records have been maintained in accordance with the Act and the Regulation.

Note: The auditor's declaration of the Auditor's Report requires the auditor to provide an opinion based on "appropriate examination" and "sampling techniques", rather than a one hundred per cent check of transactions.

7. You must provide a summary of your findings in respect of breaches of the Act and/or Regulation of the audit of the books and records of the trust account/s:
 - Any breaches are to be listed under Schedule 2 of the report
 - Your findings would, in terms of declaration 8 of the report, be listed under Schedule 3
 - You should list "not applicable" in Schedules 2 and/or 3 when no breaches or findings are reported.

8. Where there is audit qualifications of a financial nature, the auditor must attach a copy of the trust bank reconciliation statement and the trial balance (incorporating the list of ledger accounts of the principals that moneys are held for), for the applicable accounting periods, and of the end of audit year period, as prescribed under clause 31 of the Regulation, in respect of the trust account(s) effected.

If applicable & not provided list your explanation in Schedule 2 and/or 3 of the report.

9. You must discuss all breaches with the Licensee-in-charge for appropriate correction action to be taken.
